

Jiujiang Ouwei Industrial CO.,LTD

LED Security light Manufacturer

Company Profile

Founded in 2003 in Ningbo, Zhejiang, we established Jiujiang Ouwei Industrial Co., Ltd. in 2007. Specializing in infrared sensing technology R&D and manufacturing, we dominate 85% of Japan's market with more than 26 years of expertise. Our products include outdoor sensor lights, camping, work lights, smart camera light, alarm lights, and streetlight systems, serving as a global intelligent lighting solutions provider.

Manufacturing Excellence

With a 40,000m² factory and 300+ employees, our vertically integrated production covers plastic, die-casting, metalwork, and SMT processes, ensuring end-to-end efficiency. Advanced automation and innovation drive standardized and customized solutions for global clients.

Certifications & Innovation

Holding 30+ patents and ISO9001 certification, our products meet ETL, CE, and PSE standards, exported to Europe, America, and Asia.

Technology Vision

We pioneer new energy and smart control technologies under the philosophy "Excellence in Detail, Intelligent Global Brands," delivering precision sensing and energy-efficient solutions for homes, industries, and public spaces.

Partnership

Committed to "Quality First, Integrity-Driven," we combine vertical production with modular design for reliability and fast delivery. Join us to expand green lighting markets, build global networks, and embrace a sustainable future.
